music, they need no ex-

# GENERAL RULES

## WORKING MANAGEMENT

1. All competitions shall be under the working management of the Syllabus and Programme Committee, which is hereafter called "The Committee."

Any question not dealt with in these rules shall be referred to the Committee, whose decisions on such matters shall be final and binding on all concerned.

## ELIGIBILITY—DEFINITIONS

2. All competitions, unless otherwise stated, shall be open to amateurs only except that members of Choral Societies, Choirs, Orchestras, and Bands may be professionals provided they comply with the terms of Rule 4.

For the purpose of these competitions an amateur shall be defined as follows: Any person whose principal means of livelihood is not obtained from the profession or practice of music, even if he or she from time to time accepts remuneration for musical services rendered.

3. All competitions, unless otherwise stated, shall be open to any competitor without regard to residence or domicile.

4. Competitors in Choral Societies, Choirs, Orchestras, and Bands must be bona fide members of their respective organizations.

5. Conductors may be either professional or amateur. Conductors may conduct any number of organizations in the same class or otherwise, but must not play with their Orchestra or Band.

6. In Choral classes the minimum number of voices required to compete is 16, unless otherwise stated.

7. Where corresponding classes are provided for Grade A, B, Junior, etc., competitors must elect which class to enter, and they shall not be eligible to compete in any of the others.

Where corresponding classes are provided for Senior, Advanced, Intermediate, Junior, etc., competitors must elect which class to enter, subject to age limits where specified, and they shall not be eligible to compete in any of the others.

Similar conditions shall apply to Solo Trophy competitions.

7a. Championship trophy winners shall not be eligible to compete in classes applicable to said Trophy in succeeding Festivals.

8. No individual shall be allowed to compete in more than one entry in each class or similar class. This does not apply to the classes provided for Junior and Children's Choirs, the Tweedsmuir Trophy Competition, Original Compositions, Operatic or Instrumental Ensembles of different combinations, etc.; no entry may compete against itself.

Substitutes shall only be allowed in cases of sickness or for other valid reason and shall be subject to the approval of the Committee.

9. Classes provided for Suburban Choirs, Schools, etc., are confined to competitors from:

Brooklands, Charleswood, East Kildonan, North Kildonan, West Kildonan, Fort Garry, Kirkfield Park, Norwood, St. Boniface, St. Charles, St. James, St. Vital, Transcona, Tuxedo and West St. Paul.

## TEST PIECES

10. Where specified, Test Pieces must be performed in the prescribed key; transpositions are permissible in Choral and Vocal Classes where the key is not prescribed.

Where a specified edition of a Test Piece is indicated in the Syllabus, a copy thereof will be furnished to the adjudicator and competitors should not use any other edition.

Choral and Vocal numbers must be sung in English unless otherwise specified.

It is permissible for competitors to change the order of performance of test pieces if they so desire. Own Selections must be stated on the entry form and no changes will be allowed after the entry has been filed.

## GENERAL RULES—Continued

In all Senior and Open Instrumental Classes, Grade A Vocal, and Trophy Classes where a test piece is a Competitor's Own Selection, competitors must not use a selection with which they have won a class at any previous Festival.

11. Classes in which any of the Test Pieces is a number of the competitor's own choosing, the title and composer thereof must be specified on the Entry Form. For the use of the adjudicators, two copies of the music in the case of choral and small ensemble classes, and one copy in other classes, must be left at the adjudicator's desk at least fifteen minutes before the commencement of the class. Failure to comply with this provision shall render the competitor subject to disqualification. The same conditions apply to Trophy Classes.

Except in Trophy Competitions, competitors must not select and perform the same Test Piece in more than one class.

### ENTRIES

12. Copies of the Official Syllabus and Entry Forms may be obtained from the Secretary.

13. All entries must be made on the form supplied, must be properly signed by or on behalf of the competitor, and sent to the Secretary, accompanied by the regulation fee.

Any qualified official of an organization may sign the form on behalf thereof.

14. The Committee shall set the date by which entries should be made; any entries received after such date shall be subject to refusal.

The Committee reserves the right to refuse entries for any other reason.

In the event of a withdrawal, there shall be no refund of entry fee.

### PROGRAMME PROCEDURE

15. Immediately after the date set by the Committee as that on which entries should be received, the Committee shall decide the order in which the classes will be taken, and ballot for the order of competing.

The Committee reserves the right to alter the order, if necessary, to accommodate competitors from outlying districts.

16. The Committee reserves the right to subdivide any class into two or more Competitions should the number or character of the entries warrant this being done.

17. A Preliminary Test may be held in any class at the discretion of the Committee.

In such cases two or more competitors shall be selected by the Adjudicator to perform in a Final Test.

The marks gained in the Preliminary Test shall be added to those gained in the Final Test, and the awards shall be in accordance with the gross totals.

18. The Committee may withdraw any competition if it considers the number of entries insufficient.

If due to withdrawals there are only two contestants in the Preliminary Competition, the adjudicator may, at his discretion, decide no final is necessary.

19. In the event of entries being numerous, the Committee reserves the right to appoint additional Adjudicators.

20. A Competitor's Ticket will be forwarded to each competitor, a separate ticket being supplied for each day on which competitor is competing. This ticket must be shown on demand by a steward.

21. The time of each competition, and the order of competing, will be shown in the Official Programme, which will be on sale at the leading music stores in Winnipeg at about one week prior to opening day of the Festival, at the price fixed by the Committee.

The hour allotted for each competition is only approximate, and may be advanced through withdrawals in previous competitions, or other unforeseen circumstances.

The Committee reserves the right to disqualify any competitor who is not ready to compete when called by the Platform Marshal.

The Committee also reserves the right to alter the time of any competition if special circumstances warrant.

## GENERAL RULES—Concluded

The order of appearance in the programme must be adhered to unless the competitor has a valid reason satisfactory to the Platform Marshal, otherwise the competitor may be disqualified.

22. No performance shall commence until the signal is given by the Platform Marshal, who shall obtain silence in the hall after being notified that the Adjudicator is ready to proceed.

23. The adjudicator shall have discretionary power to stop any performance at any time and/or to instruct the omission of repeats.

24. A Chord may be given on the piano at the commencement of each piece of un-accompanied music.

In String Classes, lower than Intermediate, competitors may have their instruments tuned by a teacher or other person.

### ADMISSION OF COMPETITORS AND PUBLIC

25. Admission of competitors and the general public to the hall or halls in which the competitions are being held will be governed by circumstances, and such regulations as may be found advisable shall be made by the Halls and Tickets Committee at the time of the Festival.

26. All Competitions shall be open to the public on payment of the price of admission fixed by the Halls and Tickets Committee, subject to Rule 25.

27. Competitors, in moving about the hall, must do so quietly, and must not move about or indulge in conversation during the progress of any performance.

### AWARDS AND PRIZES

28. A transcript of the Adjudicator's report will be supplied to competitors on payment of a fee of 25 cents for each copy, if requested during the Festival. Two weeks after conclusion of the Festival the original Adjudicator's report may be obtained by competitors for their own use, free of charge, on application in person at the Office of the Men's Music Club, Room 203, 1181 Portage Avenue, Winnipeg 10, Manitoba.

29. In those classes for which shields and trophies are provided, seventy-five per cent. of the possible marks shall be necessary to obtain an award and to qualify a competitor for advancement to a Trophy Competition.

In any Championship Trophy Class for which a competitor has qualified by securing first place in more than one class, he or she may only compete once in the Championship Trophy Class and shall elect which of the original classes he or she represents.

30. Shields and trophies will be presented after the close of the Festival; in all matters connected therewith the decision of the Awards and Trophies Committee shall be final.

31. All shields and trophies are the property of the Festival and shall be held by the winners until one month before the next Festival, but not longer than twelve months in all, subject to the Awards and Trophies Committee receiving satisfactory assurance as to safe custody, insurance and return to the Secretary.

### FINAL CONCERT

32. All competitors obtaining the highest marks in their class are liable to be called upon to perform at a Final Evening Concert, and must be prepared to appear if required by the Committee. The program will be made up mainly of Championship Trophy winners, but there can be no guarantee that all such winners will be included in the Final Concert.

### COMPLAINTS AND PROTESTS

33. No complaints shall be considered officially unless made in writing direct to the Secretary. No such complaints are to be made to the Adjudicator.

# Memorial Trophies

A number of Memorial Trophies have been donated from time to time for various classes in the Festival. This has now reached the point where it is difficult to find suitable classes for which awards can be made in future. In addition, it is to be expected that as time goes on there will be an increasing number of requests to award Memorial Trophies.

Under these circumstances the Festival Executive and the Directors of the Men's Music Club in 1964 reluctantly adopted a resolution that no further Memorial Trophies would be accepted. Instead, those who may wish to award such a Trophy in future may make an equivalent cash donation to the Club. All such donations will be kept in a Trust Fund to be disbursed from time to time for the assistance of deserving musicians, and will be printed in all future Festival Programmes as a permanent record of those people who are memorialized.

Under the above ruling the Men's Music Club is gratified to record the following donations now being held in Trust for us by the Winnipeg Foundation, the interest from which is available for distribution to deserving musicians.

The Hypatia Crawford Trust Fund.....	\$5,000.00
A bequest to the Club made by Miss Hypatia Crawford in 1958.	
The Mrs. W. W. Musgrove Memorial Fund.....	\$491.00
A fund collected in 1964 by former friends and singers associated with Mrs. W. W. Musgrove to recognize her distinguished career as a leader of Young Church Choral Class Girls Choirs.	
Donation in memory of David Stewart.....	\$20.00

## NATIONAL TROPHY REGULATIONS

(a) The CITY OF LINCOLN TROPHY shall be awarded for the best performance by an adult choral group of sixteen or more singers.

(b) The GEORGE S. MATHIESON TROPHY shall be awarded for the best performance by a Children's or Junior Choir, classified as such in the Syllabus of the festival at which it competes. The age of competitors shall be 19 years and under.

(c) The above trophies shall be awarded on the recommendation of British adjudicators for performances at any festival affiliated with the Federation of Canadian Music Festivals whether adjudicated by British or Canadian adjudicators. No special entries or competitions are required. The performances of the choirs during regular competitions of their own festivals shall constitute the basis of award except that each choir shall sing at least two test pieces; George S. Mathieson Trophy, second number must be in two or more parts, City of Lincoln Trophy, second number must be in three or more parts, and the general performance of both pieces shall be considered in making the awards.

(d) Competitions shall be recorded by means of tapes and the tape of the performance of the winning choir at member festivals considered by the adjudicator to be of National Trophy standard shall be sent to an appropriate location to be decided annually by the Secretary. Tapes, and preferably copies of the music, shall reach the given location NOT LATER than the final date specified by the Secretary. Tapes shall be judged at the end of the tour by two British adjudicators, the choral and one other member of the current team. They can meet either in Canada or in Great Britain, whichever is more convenient for them. Only tapes of choirs whose performances are supported by a written recommendation of the adjudicator on the local level as being of National Trophy standard should be sent to be judged for the finals, likewise the tapes shall include ONLY the performances on which a choir is to be judged. Only those choirs whose tapes are submitted will be considered for the National Trophy awards and should these not reach the designated location by the stipulated date, automatic elimination will follow.

(e) In cases where conditions are not suitable for taping during the festival performance it is permissible for winning choirs considered by their adjudicators to be of National Trophy standard to record their winning selections AFTER their festival competitions under the following conditions:

1. Such taping shall preferably be done in the same hall as the original competitions, at the end of a session or day.
2. If at a later time, it must be with the same choir, conductor, accompanist and accompaniment, under as similar circumstances as possible to the original competitions.
3. Should taping be done at this later period it must be accomplished within one week after termination of the festival.

(f) After the adjudicators have conferred and selected the winners, the choral adjudicator shall advise the Secretary of the Federation of their decisions. They shall also advise the names of the runners-up and any other choirs attaining the status of honourable mention. The Secretary shall announce the names to the annual general meeting of the Federation in accordance with recommendations of the adjudicators. No advice or announcement shall be made prior to this meeting.

(g) Whenever a choir reaches a sufficiently high standard to be recommended by adjudicators for National Trophy consideration, the fact should be announced locally through all possible news media including mention from the festival platform.

(h) Winners and runners-up in the two National Trophy events shall be advised immediately on receipt by the Secretary of the Federation of recommendations from the adjudicators. It will then be the responsibility of festivals concerned to have tapes made with suitably announced introductions on a professional basis. Should such tapes reach the Central Office of the Federation in time, appropriate action will be taken to prepare a composite recording for use at the Conference. In the event these various arrangements fail to materialize or the end results provide inferior representation of performances, tapes will not be played at the Annual Dinner of the Federation, but arrangements will be made for delegates to hear them at some other time during the Conference.

(i) Winning Choirs shall exert every effort to obtain National T.V. coverage of their performances.

(j) Trophy Pictures shall be presented at Annual Conferences coinciding with announcements of National Trophy winners.
